Application Fee: A \$100 Application Fee is required for new applications.

Base Tuition: The base tuition for 2018-2019 school year is \$9,750.

Failure to make payment within five calendar days of the deadline results in a loss of the discount and a late payment fee of \$35.

Long Term Building Maintenance Policy Fee: The Board of Trustees is committed to long-term financial planning, especially for new students, to have a stable, safe and clean learning environment throughout their years of enrollment at WAAS. As a result, this Long Term Building Maintenance Policy requires a one-time fee for each new student who is enrolling at WAAS for the first time. The following schedule will apply to each **new** student and family:

4 th Grade:	\$500	7 th Grade:	\$200
5 th Grade:	\$400	8 th Grade:	\$100
6 th Grade:	\$300		

Annual Technology Fee: In order to promote and enhance a strong and safe technological environment to facilitate instruction and enhance learning, the Board of Trustees have established an annual Technology Fee of \$100. This Technology Fee requires a payment for each student at the beginning of each school year. The BOT's intent is to assure parents that WAAS will continue to meet the technological needs of the students and teachers. WAAS students will directly benefit from this fund.

The Building Fee and the Technology Fee are both non-discountable and non-refundable and will be included in each new student's tuition contract and the full amounts shall be paid by June 1st of the school year.
