**Long Term Building Maintenance Policy Fee:** The Board of Trustees is committed to long-term financial planning, especially for new students, to have a stable, safe and clean learning environment throughout their years of enrollment at WAAS. As a result, this Long Term Building Maintenance Policy requires a one-time fee for each new student who is enrolling at WAAS for the first time. The following schedule will apply to each **new** student and family:

|                        |       |                        |       |

This Technology Fee includes insurance for each student and is due by June 1<sup>st</sup>, 2020.
